WELLBEING SERVICE

Our Wellbeing Support Coordinators can assist you to find support and resources available to you and your whanau in the community. This solution-focused service provides confidential information and support across multiple platforms: in-person, over the phone 09 4418989, via email: info@heartsandminds.org.nz and through our online Support Services Directory which you can access through our website. www.heartsandminds.org.nz

At Hearts & Minds we recognise that at some point, most people experience a personal, family or life situation that challenges their sense of wellbeing. So when "life happens" Hearts & Minds provides information and support to build the inner resilience of people, families and communities. If you are interested in finding out about the supports available to you in the community, please get in touch.
